By Kathleen Tracy

Block 3 – Nine Patch

3" x 3" finished

1. Using assorted reproduction fabric scraps, cut four 1 ½" squares from a light print and four 1 ½" squares from a medium or dark print. Choose a contrasting 1 ½" square for the center. Mix up the prints for a scrappier look. Or, switch the background squares to a darker print with a lighter print in the foreground.
2. Make a nine-patch block by sewing 1 ½" x 1 ½" squares together into three rows as shown. Then sew the rows together. Trim to 3 ½" x 3 ½". **Make 4 blocks.**

MAKE 4.
