

Schoolgirl Sampler Sew Along

Week 5

Work on Blocks **25 through 30** on pages 52 - 54 of the Schoolgirl Sampler book.

(Blocks by Sue Bennett)

Have fun this week making tiny half-square triangles but then some easy blocks too. Take your time and sew carefully. Remember that sewing seams with a scant $\frac{1}{4}$ " may help the blocks come out correctly. Follow the tips included in the file for Week 1 for making the HSTs. If you cut and sew accurately, then press carefully before cutting apart, your HSTs might not even need much trimming. And remember to see page 8 in the book for more triangle instructions.

You're all making terrific progress and I'm happy to see that most of you are still motivated. - keep up the good work! The next six blocks will be posted on **Friday, February 5.**
